Fr. Ryan Hallford, three years ordained, will return to St. Margaret for our Advent Mission. After completing his deacon internship with us, he served at Holy Family in Port Allen and St. Jude in Baton Rouge, and is currently at St. Aloysius in Baton Rouge.

Originally from Slidell, Fr. Ryan came to Baton Rouge to attend LSU. He stayed to teach high school at St. Joseph Academy and St. Michael High School, and this Diocese became his spiritual home.

Coming from a broken home, losing everything in Hurricane Katrina, plus many other hardships, including many of his own shortcomings, has increased his conviction for the need of God's grace and mercy. Love is the only way forward. Fr. Ryan's experiences as a teacher, youth minister, and becoming the legal guardian of his sister has helped him simplify his life plans and opened him to the priesthood. Fr. Ryan wants to spend his life serving the family of the Church.
