PONDERINGS OF THE PEDAL-N-PADRE

By Father Paul Gros

Dear Parish Family,

Peace in the Lord! I would like to use my article space this weekend to share the annual financial reports for the past fiscal year 2023/24. In 1 Timothy 6:18-19, St. Paul tells St. Timothy: ***“Tell them [those with means] to do good, to be rich in good works, to be generous, ready to share, thus accumulating as treasure a good foundation for the future, so as to win the life that is true life.”*** St. Paul is simply reiterating what Jesus says in Mt. 6:20: ***“But store up treasures in heaven, where neither moth nor decay destroys, nor thieves break in and steal. For where your treasure is, there also will your heart be.”***

What is the underlying point of these two scripture passages? Certainly, that we are to “plan for the future,” that is, prepare for our eternal homeland by making “deposits of charity” that can be stored up as true treasure in heaven and never taken from us. But also, St. Paul is connecting our life of faith to charitable giving – ***“to be generous, ready to share, thus accumulating as treasure a good foundation for the future, so as to win the life that is true life.”***

I have included in the next few pages an abbreviated financial report from this past fiscal year. It reflects your generosity to the parish and to the community. One report is a glance into St. Margaret’s past and enables us to see how much we have grown as a parish and how much our collections have grown – from \$282,976 in 2010/11 to \$1,073,989 this past year. From the prior year, we dropped significantly in collections (-31%), but this is merely a reflection of our St. Thomas renovation campaign that kicked off in February 2023. We raised almost \$335,000 initially for the project, which would account for the drastic \$333,170 difference between 2022/23 and 2023/24. Setting the St. Thomas renovation project monies aside, the collections reflect that last year, and this year were remarkably similar in “raw” giving.

The next report shows the actual vs. budget for the fiscal year July 2023 - June 2024. The \$800,000 deficit budgeted was for the purpose of the anticipated \$800,000 expense for the St. Thomas renovation project. In the “actual income/expense” column, it shows a \$5,970 surplus for the year.

Finally, the two graphs give us a perspective on our debt reduction. Please note that this DOES NOT INCLUDE the \$400,000 loan needed to help pay for the St. Thomas renovation. As you can see, we have paid 21.4% on the debt retirement that we owe to the diocese for the St. Margaret renovation project. This leaves us with 78.6% to be paid hopefully by June 2035. Again, we must consider that the monthly loan note will increase with the St. Thomas renovation project. The other graph shows this past fiscal year’s collection on debt retirement verses the debt retirement payments. As you can see, we were \$34,597 short of what we needed to collect to cover these payments. The remainder was taken from our regular operating expenses.

I know I have mentioned this before, but I am incredibly grateful for the financial stewardship here at St. Margaret and St Thomas. This was something I noticed right away when I arrived here 3 years ago. If you have any questions about our finances this past year, please feel free to call or email me (pgros@stmargaretstthomas.com) or Mary Herbert (meherbert@stmargaretstthomas.com).

Please know that we also have other ministerial and physical plans that we hope to accomplish together over the next year including the full renovation of St. Thomas Chapel. Thank you for your generosity! And please continue to consider what the Lord may be calling you to give this next fiscal year. He is the one who truly offers gratitude!

Have a wonderful week!
