# PONDERINGS OF THE PEDAL-N-PADRE

*By Father Paul Gros*

Dear Parish Family,

Peace in the Lord Jesus Christ! I am writing to let you know that both Fr. Kumar and I will be away this coming week.

Fr. Kumar will be traveling with our high schoolers for the **March for Life Pilgrimage** from **Monday, January 19th through the 24th**. Please pray for his sanity as he endures the 24-hour bus ride to D.C. and back! Most importantly, please pray for our students' safety as they open their hearts to their Catholic faith and march for the dignity of all human life, from conception to natural death, in our nation's capital. The week promises to be filled with fun, faith, and chilly weather. We hope to share photos of their journey on our Facebook page!

I will also be away this same week to attend my annual silent retreat. This is a practice I have kept almost every year as a priest, and I always find it to be grace-filled and much-needed. I will return on **Monday, January 26th**. Please keep me in your prayers, as I will certainly be praying for you.

Finally, I want to give you a "heads up" about another upcoming event. This year's Diocesan Priest Retreat is mandatory for both Fr. Kumar and me, meaning we will both be away again from **February 2nd through the 5th**.

## Schedule Changes

Please note the following adjustments to our sacramental schedule:

- January 20th through 23rd: No daily Mass nor Confession on Thursday.
- February 2nd through 5th: No daily Mass.
- Thursday, February 5th: Confessions **WILL** be held in the afternoon at 4:00PM as regularly scheduled.

Have a wonderful week!

God bless,

Fr. Paul

**PS** After my homily last weekend on AI, I want to share the link to the incredibly sad and alarming article that I referred to about the young man who was heavily influenced by an AI Chatbot before taking his own life. The article is from the National Catholic Register: <https://www.ncregister.com/news/megan-garcia-sewell-setzer-iii-commits-suicide-ai-chatbot> (the QR code above will bring you to the article). Though there are real dangers with AI, it also can be particularly useful especially learning about our Catholic Faith. One app that I have subscribed to is called "Truthly." Truthly only pulls its information from authentic Catholic resources. In my opinion, it seems to be accurate and helpful in looking up questions or resources on different Catholic topics while also giving daily opportunities for prayer and formation in the faith.
